Career Summary

The 19 year old Nicholas Silva is an up and coming American racing driver and athlete in the world of motorsports. With a diverse and unique resume full of accomplishments, Nico is set on his way to his goal of closing a top-tier pro drive.

At the young age of 5, Nico got his start in karting after a family visit in Brazil, where he was able for the first time encounter the world of motorsports at the Interlagos circuit. Throughout his karting career, Nico has competed and won in local, national, and international events.

At the age of 14, Nico competed and won a prize purse in the 2011 Skip Barber Karts to Cars Shootout and competed in the Skip Barber Race Series the following year.

In 2013, Nico was invited by a Formula 3 team for a fully-funded race for the opening round of the 2013 Formula 3 Sul-Americana series in Brazil and accomplished a podium finish after only his second race.

After sprinkled runs for the rest of the Formula 3 Brasil series in the 2013, 2014, and 2015 seasons, Nico is pursuing to race in the United States or Europe having offers from multiple race teams from various categories for 2016 and beyond.
